

# Grupo Sensação - Velho Amor

Tom: A

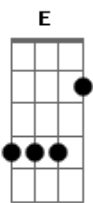

O que aconteceu  
 Com aquele velho amor  
 Será que se perdeu ou se modificou  
 Mas pelo amor de Deus  
 Me diz o que restou  
 Da nossa união, será que acabou  
 O amor, que fez nosso sol despertar  
 O amor, e a gente não quer mas falar  
 De amor, do brilho que enche o luar de amor

A gente precisa voltar  
 Pro nosso sonho continuar  
 Essa saudade de você  
 Não é legal me faz sofrer  
 E tudo pode acontecer  
 Não vou deixar de te querer  
  
 O amor, que fez nosso sol despertar  
 O amor, e a gente não quer mas falar  
 de amor, do brilho que enche o luar de amor  
 A gente precisa voltar  
 Pro nosso sonho continuar
