

Grupo Sintonia de Luz - Quero Ver o Sol Nascer

Tom: F

(C Gb C Gb C Gm/7 C C C7)

Vou caminhando

Prá algum lugar

Mesmo sem saber

Onde chegar

Quero ver o sol nascer

Como um pássaro que voa

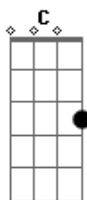

No seu canto ele entoa

Uma canção de amar e voar
Quero ver o sol nascer

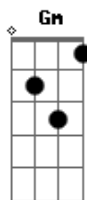

Livre sem destino algum
Caminhando pra lugar nenhum
Pelos praias, pelos campos
Quero ver o sol nascer

Quero ver o sol nascer
Quero ver o sol nascer
