

# Grupo Vocal Espírita Toque de Luz - Encontro Marcado

Tom: C

Ao anoitecer em Cafarnaum  
 A Casa de Pedro, tão simples, casinha comum  
 Se enchia de paz, repleta de luz  
 Ouvindo as palavras eternas do Mestre Jesus  
  
 Vou me imaginar sentado ali  
 Entre João, Pedro, Tiago, André e Levi  
 À beira do lago de Genezaré  
 Lançando na alma para sempre sementes de Fé

E eu tão criança ainda naquele lugar  
 Quem sabe Jesus me levasse para passear  
 No quintal da casa de Pedro à luz do luar  
 Sentindo a brisa da noite e o perfume do mar  
  
 Dissesse pra mim  
 - Já é hora de você voltar  
 A gente se encontra de novo  
 No seu Evangelho no Lar  
 A gente se encontra de novo  
 No seu Evangelho no Lar
