Spending whole afternoons
Studying law
Intending to learn always some more

With ties and leather shoes
Surely young Pip
Had a pretty good image to keep

But, in the middle of the night
A cry was heard from inside his room -
The boy was lying on the bed
Afraid of what might be his next step
He's so young though sad

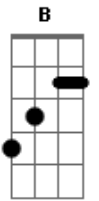

Solo: A Db Gbm D - Dbm Gbm Bm Gbm Db

And had in mind
The more and more things went by
The more he would have
What certainly sounded not bad, eh?

Tears of fear were locked inside his breast cause
Deep, within
He's just a boy, he hadn't even learnt what life was yet
