

Guga Matias - Gotta Let You Go

tom:

Intro: Cm Db Ab
Cm Db Ab

Gotta tell you

How I feel

Won't you

Believe my love is real

Won't you

Forget to put your name in my life

Or tell me it's over

Through the door

Ab

In the plane

Can't live inside your brain

I need to be free

I gotta fly

See the world

And make it my own way

I hope that's ok

You are a part of my story

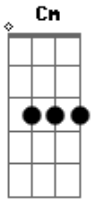

I don't want to say sorry

But I gotta let you go

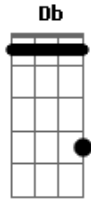

I gotta let you go

Go go go go go go...
