

Guilherme Arantes - Antes da Chuva Chegar

Tom: G

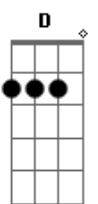

Sinto agora que o vento
 traz coisas de longe de casa libertando a voz
 são lugares perdidos, imagens confusas de tempos
 que não voltam mais
 e pessoas com quem convivi, suas palavras, seus sonhos,
 seus atos, seus modos de ver a vida
 olhe o que o vento traz, antes da chuva chegar

Pela rua deserta e forrada
 de folhas caídas que voam ao léu
 corre o meu pensamento
 no rastro das nuvens pesadas que habitam o céu
 Vejo a casa na qual me criei,
 vejo a escola, o jardim,
 vejo a cara de cada um dos meus companheiros.
 olhe o que o vento traz, antes da chuva chegar
 olhe o que o vento traz, antes da chuva chegar
