**D** **A**  
 De repente eu me sentia leve, leve, leve  
**D**  
 Eu me sentia in love  
**A**  
 Madrugada clareando em breve, breve, breve  
**D**  
 A lua semibreve  
**A**  
 A cabeça passeando longe, longe, longe  
**D**  
 Cabeça de monge  
**A**

Eu dançando com você me perco  
**D**  
 Perco até a noção que dia é hoje  
**A**  
 Tudo vai se iluminar, é claro  
**Am** **B7**  
 Com você eu fico transparente, rente  
**Em**  
 Quente como um pão quente, meu bem  
**A7** **Bm**  
 Sabe que comigo pode vir que tem  
**Gbm** **Em**  
 Pode virar a mesa eu vou também

 Se é pra sair da casca, ir além  
**Bm** **F7M** (**A7 D**)  
 Fazer aquilo tudo e até neném
