When i think about you, i remember a felling lost one day  
Get along in this days there is a especial mean in some way

Your glance at me has conquer me, has broken all my heart  
At look to you, there is a feeling inside again to be start

We pass through many roads in time, but never crosses until now  
Must i believe in this moment, a sign, to us fell and allow

Your glance at me has conquer me, has broken all my heart

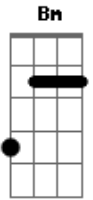

At look to you, there is a feeling inside again to be start  
I will tell you that the future with you i have no doubt  
To say the time, the age all this can be, reallly, phase out

Your glance at me has conquer me, has broken all my heart  
At look to you, there is a feeling inside again to be start

Your sweet smile, when i see it, all my day will gone be alright  
To run away with you i ju- st wanna hear you say, fine
