Entre as raízes e as asas você quis, nuvens no seu quarto casa de algodão

Em7 C7M Am7 G
E correr o risco você sabe muito bem, sou assim, de andar, no chão

A7 D7 C#m7,13) C#sus
Sentir calor nos pés e contemplar estrelas, que distraídas caem no mar

Em7 A7M
Num dia bem fácil você vai gostar de mim, vai rimar café com minha timidez

Em7 C7M Am7 G

Pra sentir o mesmo e tentarmos esconder e dai, se quiser, eu nunca

D7 C#m7,13) C#sus B B7
Conto pra ninguém, só espero que conceda, direito pra sempre lembrar

(A A7)

D7
Veio a intuição que o coração é um aprendiz

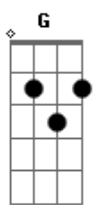

G7M
E que acaso queira só viver em paz

C7M
Ponha um pouquinho de tempero e emoção

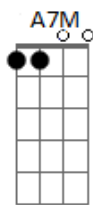

F7M
E que o amor lhe deixe aqui um pouco mais

Bb7M Eb7M D7M
Leva teu casaco pois ja está chegando o frio e vem cá
