(verse)

In my dream you're playing with
Buckets of sand

And water was running through both of your hands
And i dont think

I ever heard you speaking

Cause i was too wrapped up in the dream
I was dreaming

(chorus)

So if the world ends

I hope you're by my side

I don't think with you here

It will be too much pain

And when you cry

Darling i wish you'd feel my love

Your heart is way beyond capture

Flitting like a fly catcher

They can't pin you down

Whoa, they can't pin you down

(Gb Db Abm Ebm B Gb E)

Gb Ab

Can't pin you down

Can't pin you down

Can't pin you down
