

Guillermina Perrino - For You

Cadd9

Cracked cookies in your packet

Can you turn of this thing?

I?m just trying to remember

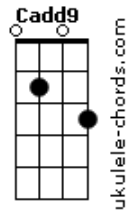

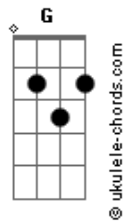

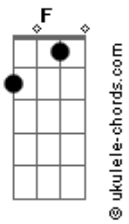

All the things you told me

Now I wonder

Where did you go?

Cadd9

Acordes

No sugar in your coffee

Turn on the match and take a walk

I?m just trying to remember

All the things you lived for

Now I wonder

Where did you go?

Somehow I feel your soul

So close
