

# Guma - Sexsura

Tom: A

                  Gbm  Abm7  Db                  Gbm          Abm7  Db

Não lembro de quando percebi

Gbm  Abm7  Db          Gbm  Abm7  Db

Tantas vezes me adequei

Bm7  E7          Dbm          Gbm  Db

Se bem que nem sempre tentei

Gbm  Abm7  Db          Gbm  Abm7  Db

As regras estão postas aí

Gbm  Abm7  Db                          Gbm  Abm7  Db

Já não passam pela guela, entopi

Bm7  E7          Dbm          Gbm

Não tem essa de ser alternado

Bm7  E7          Dbm                  Gbm

Se rolar tem que estar apropriado

Ab                  A                  Db  Db7

Na real, vou ter que tomar

Gbm

Chá de camomila

Abm7  Db          Gbm  Bm          Gbm  Db

Suco de maracujá

Gbm                  Bm  Gbm  Db

Não posso

Bm                          Gbm

Que o órgão está censurado

Gbm  Abm7  Db          Gbm  Abm7  Db

Quando for passar por fendas

(Lembre-se: pelo meio, não por cima)

Gbm          Abm7  Db          Gbm          Abm7  Db

Podem errar o caminho, mas a mira

Bm7  E7          Dbm                  Gbm

São todos os olhos apenas

Bm7  E7          Dbm                  Gbm  Db

Eles estão envoltos por vendas

Gbm          Abm7  Db          Gbm          Abm7  Db

Sei que gera cegueira, desconforto

Gbm  Abm7  Db                  Gbm

Necessita de um certo esforço

Ab                  A                  Db  Db7

Na real, vou ter que tomar

Gbm

Chá de camomila

Abm7  Db          Gbm  D  Db  Gbm  Gbm  D  Db  Gbm

Suco de maracujá

Gbm                          D          D7  F

Aqui não vai faltar vontade

Gbm                  D7  Db7  Gbm

Isso meu corpo todo já sabe

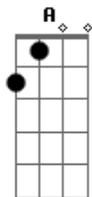

Gbm                  D  D7  F  Gbm

Mesmo se estiver morto

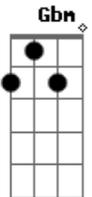

Gbm                  Bm  Gbm  Db

Não posso
