I call my mother, she's just a  
cunt now. She said I'm sick in the head

Additional Lyrics

She said, "You ain't spe-cial, so who you  
fool-in'? Don't try ta give me a line"

I used to be wasted, always tried to take it,  
Take it down into my vein.  
I call the doctor, he's just another,  
He said I'm sick in the brain.  
He said, "You ain't special so who you foolin'?"  
Don't try to give me a line."  
But I can't stop thinkin' of doing it one more time.
