Additional Lyrics

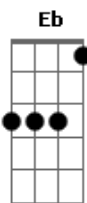

I used to be wasted, always tried to take it,  
Take it down into my vein.  
I call the doctor, he's just another,  
He said I'm sick in the brain.  
He said, "You ain't special so who you foolin'?"  
Don't try to give me a line."  
But I can't stop thinkin' of doing it one more time.

But I already left you and you're better off left behind.
