look at... fighting/ look at...crying

look at... dying/ the way... before

look at... breeding/ look at... feeding

look at... leading/ the way... before

^E My hands are tied, ^G the billions shift from side to side

And the wars ^E go on with brainwashed pride

for the love of god and our human rights.

and all these things are swept aside

by bloody hands time can't deny

and are washed away by your genocide

and history hides the lies of our civil wars

SOLO 1: é feito com pedal wah wah

^G d'you wear a black amrband, ^{Bm} when they shoot the man

who said ^{Em} "PEACE COULD LAST FOREVER"

and in my first memories they shoot kenedy

and i went numb when i learned too see.

so i never fell for vietnam, we got the wall of D.C to remind us all

that you can't trust freedom when it's not in your hands

when everybody's fighting for their promised land.

Refrão:

^G and I don't need your civil war

^E my hands are tied, ^G for all I've seen has changed my mind

^E but still the wars go on as the years go by

^G with no love of God or human rights

^E 'cause all these dreams are swept aside

^G by bloody hands of the hipnotized, who carry the cross of homicide

^G and history bears the ^D scars of our civil war.

SOLO 3: feito com pedal wah wah

^A "we practice selective annihilation of mayors

^D and government officials for exmple to create a vaccuum
