

Guns N' Roses - Dead Flowers

Tom: D

Obs.: Essa música é do Rolling Stones mas existe uma regravação do Axl com o Gilby Clarke

Intro: D A G D

Well, when you're sitting there in your silk upholstered chair,
 Talking to some rich folk that you know,
 Well I hope you won't see me in my ragged company,
 For you know I could never be alone.

REFRÃO:

Take me down little Suzie, take me down.
 I know you think you're the queen of the underground.
 And you can send me dead flowers every morning,
 Send me dead flowers by the mail,

Send me dead flowers to my wedding,
 And I won't forget to put roses on your grave.
 Well, when you're sitting back in your rose pink Cadillac,
 Making bets on Kentucky Derby day,
 I'll be in my basement room with a needle and a spoon,
 And another girl can take my pain away.

Refrão

take me down little Suzie, take me down.
 I know you think you're the queen of the underground.
 And you can send me dead flowers every morning,
 Send me dead flowers by the mail,
 Send me dead flowers to my wedding,
 And I won't forget to put roses on your grave.
