

Guns N' Roses - Out Ta Get Me

Tom: **G**

Transcribed by: Nick Coendoz

Thought you tabbin' people deserved something i've been cooking up for a while.
For the solo you'll have to get it straight in your head before you even attempt playing at that speed with only tab to help.
in the tab R= release

verse

hold the last bend in the first bar above for the whole next bar.

do the same again here. all sorts of funny shit in these bends.

and again here.

v.fast!!!. these notes are

last four bars are repeated

improvise the ending solo..slash did!. jam in **G** dorian.
