Em
But the very next day
C
I was doing bong hits in the back of my friends chevete
G D (D)
So don't tell me we're winning the war on drugs
Em C
Cause drugs are like a big old can of Raid and you're all
little bugs
G D (D)
And don't tell me to not get high
Em
Cause im as low as i can get without kissing your ass and
blowing you at the same time

Like that little fucker who shot the pope and said
G
"I have the right to remain silent"
D (D)
But they couldn't explain
Em
How i didn't exist nd I wasnt violent
C
Cause all ive ever wanted is the right to remain

G D

WHY?
Em
And I said "I don't think I should be shot for selling pot
C
this is my little way of saying...
