

Guns N' Roses - Shadow of your love

Tom: **G**

Tabbed by: Rattus The Rat

Tune half step down i guess... Like every GNR song!

Okay this is the opening riff

Then Slash on another guitar kicks in and play

"ohhhhhhhhhh yeahhhhh!"

Then this guitar also plays the opening riff. Between 0:27 and 0:30 six chords are played and i am not sure what they are. Then the main riff is still played and then this:

```

|-----|
|-|
|-----|
|-|
|-2-- A few times with -----5-----7-- [cool guitar sound here]-
|-|
|-2-- with palm mutes then -5-----7-----|
|-|
|-0-----3-----5-----|
|-|
  
```

Axl Starts singing here:
 "Took my chances carelessly
 Said I choked on my own cigarette
 You can hand me another bottle of whiskey babe
 But you ain't seen nothin' yet
 Now I'm reckless, gonna have some fun
 And the woman who is dead
 Who was out all night, no I'm not the only one"...
