C **Dm**
 Or not to believe

Dm

 Not sorry for me
C **Bb**
 You don't know who you can trust now
C **Dm**
 Or you should believe

Dm
 You should believe
C **Bb**
 You don't know who you can trust now
C **Dm**
 Or you should believe

(solo)
 You close your eyes
 All well an good
 I'll kick your ass
 Like I said that I would

You tell them stories they'd rather believe
 Use and confuse them
 They're numb and naive

Truth is the truth hurts
 Don't you agree

It's harder to live
 With the truth about you
 Than to live with
 The lies about me

Nobody owes you
 Not ona goddamn thing
 You know where to put your
 Just shut up and sing

I'm sorry for you
 Not sorry for me
 You don't know who in the hell to
 Or not to believe
 I'm sorry for you
 Not sorry for me
 You chose to hurt those that love you
 And won't set them free
 Won't set them free
 You chose to hurt those that love you
 And won't set them free

You don't need
 Anyone else to be
 Sorry for you
 You've got no heart
 You can't see
 All that you've done for me
 I know the reasons
 You tear me apart
