

# Guns N' Roses - You Could Be Mine

Intro: (Am Gm )3x Am G7 Am G7 (G Am )2x

I'm a cold heart-breaker  
Fit to burn and I'll rip your heart in two

And I'll leave you lyin' on the bed  
I'll be out the door before ya wake  
It's nothin' new to you

'Cause I think we've seen that movie too

'Cause you could be mine  
But you're way out of line

With your bitch slap rappin'

And your cocaine tongue

You get nothin' done

I said you could be mine

Now holidays come and then they go  
It's nothin' new today

Collect another memory  
When I come home late at night  
Don't ask me where I've been

Just count your stars I'm home again

'Cause you could be mine  
But you're way out of line

With your bitch slap rappin'

And your cocaine tongue

You get nothin' done

I said you could be mine

You've gone sketchin' too many times

Why don't ya give it a rest?

Why must you find

Another reason to cry

While you're breakin' down my back and

I been rackin' out my brain

It don't matter how we make it  
'Cause it always ends the same

You can push it for more mileage

But your flaps are wearin' thin

And I could sleep on it 'til mornin'  
But this nightmare never ends

Don't forget to call my lawyers

With ridiculous demands

And you can take the pity so far  
But it's more than I can stand

'Cause this couchtrip's gettin' older

Tell me how long has it been

'Cause 5 years is forever  
And you haven't grown up yet

You could be mine  
But you're way out of line

With your bitch slap rappin'

And your cocaine tongue

You get nothin' done

I said you could be  
You should be

You could be mine

You could be mine...
