

Gustavo Bertoni - Oh Lover

Tom: G

Oh lover
 I've waited long enough for you
 I've seen the awful things that you can do
 How dare you make my troubled heart your slave?
 Unfortunately, that's the price we pay

Oh lover
 Show me what is troubling your mind
 The burden of regret that's in disguise
 Now that you've met the consequence
 You'll either hide or ask for one more chance

So, follow me down
 Don't make a sound, no
 Chase me around, make your sorrow be mine

uh, uh, uh, uuuh

So, follow me down
 Don't make a sound, no
 Chase me around, make your sorrow be mine
 So, follow me down
 Don't make a sound
 Chase me around, make your sorrow be mine
