

# Gustavo Bertoni - Snake Charmer

tom:  
 Gm (forma dos acordes no tom de Am)  
 Afinação: D G C F A D

I got a secret, what I've done ain't right  
 I got a secret, what I've done ain't right  
 The blame comes and goes  
 Eating at my soul, where was my mind?  
 There was a snake charmer, calling out my name

There was a snake charmer, calling out my name  
 For my darkest thoughts  
 A couple bourbon shots, and I was game  
 It is a comfort, veiling out the guilt  
 But when the devil comes, our peace it jilts  
 I check both sides of streets  
 But my conscious' flees, God, help me see
