

Gustavo Bertoni - Time

Tom: G

Intro: C Am E (2x)

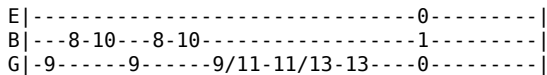

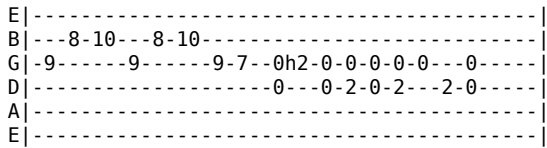

C Am E Em
 I'm so far down you can't even hurt me now
 I've learned to see with my eyes shut
 Am E
 I heard a bird sing the saddest melody
 Em A7 E C
 About a paramount love, gone with the wind

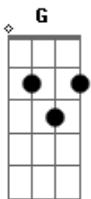

Refrão:

G A E
 Well I hope time heals everything
 Cause I need a miracle, not just anything

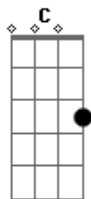

Repete introdução:

2ª parte (essa parte não toca o violão, a não ser no último verso, é a mesma coisa da 1ª parte):

What would life be without misery?
 It would grow too bright, light would blind us all
 Every moment is a lesson to be learned
 So hold your head up high

Guitarra (2ª Parte):

Refrão:

G A E
 Well I hope time heals everything
 Cause I need a miracle, not just anything
 G A E
 Cause I need a miracle, not just anything
 You've been punishing me, while I'm trying to move on
 But honey you're not worth it, you've been in too many songs
 A parte final do refrão:
