

Gustavo Bertoni - White Roses

tom:

Am
This dance
Dm
Asks for
C7M Am
White roses beneath our feet
Dm
Watch where
G
You step
C7M Am
Unless you wanna get hurt
Dm
I guess
G
We're too old
C7M Am
To fall in love desperately
Dm
I've learned
G
The hard way
C7M Am
To love an idea is destructive
Dm G C7M
As the rain pours over us, dear
Am Dm
Listen to our beating hearts here
G
The sun will rise and I'll be gone, dear
C7M Am
Don't weigh on me
Dm E7
We'll find pleasure beyond measure
Am

Then I'll disappear
Dm
Shadows
G
Lurk in
C7M Am
You help me invite them in
Dm
You know
G
My shit
C7M Am
Still, you still chose to stay
Dm
Swim in
G
Deeply
C7M Am
Imperfect curves and lines
Dm
I accept
G
And you too
C7M Am
These hours of escapism
Dm G C7M
As the rain pours over us, dear
Am Dm
Listen to our beating hearts here
G
The sun will rise and I'll be gone, dear
C7M Am
Don't weigh on me
Dm E7
We'll find pleasure beyond measure
Am
Then I'll disappear
