

Gusttavo Lima - Quem Vem de Longe

Tom: C

Quem vem de longe pra buscar felicidade

Sabe que a simplicidade
Guarda sempre um bom lugar

Trago no campo meu interior guardado
Onde voam sentimentos como nuvens pelo ar

A vida passa como pensamentos
A mistura dos momentos faz o tempo se acertar

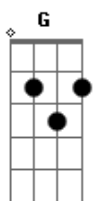

Meu coração carrega essa saudade
Pelos ruas da cidade esperando o amor chegar

Eu ando só mas sei que nunca andei sozinho
Se eu seguir o meu caminho

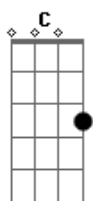

Sei que um dia vou te encontrar
Deixei acesa a lua da minha esperança
Que lá do céu te alcança pra brilhar no seu olhar
