

Guto Bata - Irene

Tom: D

Intro: Db

Irene partiu

Atravessou o rio e me deixou sozinho

Não quis nem escutar o que eu tinha a falar

Saiu bem de mansinho

Nunca vou esquecer

Porque naqueles dias sofri como nunca

Se eu fiz algo, Irene, que te machucou então peço desculpas

Irene partiu

Atravessou o rio e me deixou sozinho

Não quis nem escutar o que eu tinha a falar

Saiu bem de mansinho

Nunca vou esquecer

Porque naqueles dias sofri como nunca

Se eu fiz algo, Irene, que te machucou então peço desculpas

Agora volta Irene

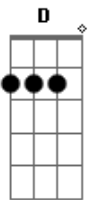

Sem você não sei o que fazer

Tô perdido, não consigo te esquecer

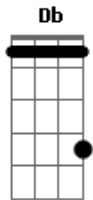

A inspiração que eu tinha aos olhos teus calou no violão

E na tristeza agora eu canto essa canção
