Meu amor sempre resiste a tudo  
A qualquer contratempo ou engano  
E, por isso, digo que te amo  
Nem, por ora, assim me faço mudo

Já não há resistência ou escudo  
Bem mais forte que é a cada ano  
Um amor tão ansioso, pisciano

Que é, também, tão paciente contudo

Resolvi decifrar seu segredo  
O "por que" de, pra mim, valer tanto

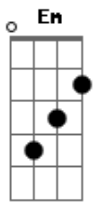

Mas pensei que podia ser cedo

Voltei, bem de mansinho, ao meu canto  
Desisti, pois me bateu um medo

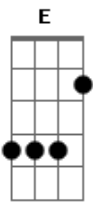

Que esse amor, então, perdesse o encanto
