

Guy Sebastian - Standing With You

tom:

Intro: C Dm Am G

The more I tell you you can do this
 The more you tell yourself you're useless
 Any?advice?right now is?fruitless
 You're somewhere only you can go
 I?won't pretend to know, so

Instead of telling you "You'll be alright"
 I'm just gon' be that someone by your side
 Yeah, let me be that distant satellite
 A constant in the sky

'Cause I'm standing with you tonight
 Yeah, I will be that voice in your ear
 Quietly destroying your fear
 You won't even know that I'm here
 But I'm standing with you tonight
 Oh, I will be the pill for your pain
 Until the clouds have run out of rain
 Close enough but just out of sight
 I'm standing with you tonight

Your head is full and yet it's hollow
 Don't even think about tomorrow
 So if you let me I will follow
 Oh, if you're gonna go
 At least you're gonna know, oh woah

Instead of telling you "You'll be alright"
 I'm just gon' be that someone by your side

Oh, let me be that distant satellite
 A constant in the sky

I'm standing with you tonight
 Yeah, I will be that voice in your ear
 Quietly destroying your fear
 You won't even know that I'm here
 But I'm standing with you tonight
 Oh, I will be the pill for your pain
 Until the clouds have run out of rain
 Close enough but just out of sight
 I'm standing with you

I know I may not say the right thing
 Let me tell you one thing

Yeah, 'cause there is one thing

You're wrong about
 This world would not be a better place
 I don't wanna lose you now

Yeah, I will be that voice in your ear
 Quietly destroying your fear
 You won't even know that I'm here
 I'm standing with you tonight
 Oh, I will be the pill for your pain
 Until the clouds have run out of rain
 Close enough but just out of sight
 I'm standing with you tonight

Oh, tonight
 I'm standing with you tonight
 I'm standing with you tonight
