

Gyl Silva - Pra Te Fazer Sonhar

Tom: E

Tanto que eu falei

Mas não deu pra explicar

Tanto que eu te amei demais

Pensei até deixar pra lá

Tanto que eu jurei

Promessas não valem mais

Nem assunto do passado

Um amor que vem e logo vai

Te vejo por ai

Andando devagar

Sempre tão singela demais
Sem querer se acompanhar

Te vejo tão cansada

De tanto procurar

Um alguém que te faça feliz

Um alguém que te faça sonhar

Mais eu vou voar até o céu

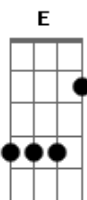

Só pra poder encontrar

Um lugar azul

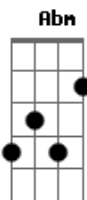

0 mais puro véu

Pra te fazer sonhar
