

# H2o - One Life One Chance

Tom: C  
Intro: C F C

What if I said I was an  
Accident waiting to happen  
Would I trip and fall  
Fall on my own words  
And would you say  
Say that I was wrong  
My words were out of place  
Went where I didn't belong

This to me is fact and  
Fiction plays a role  
Confusing situations  
That I can't control  
The heart of matter  
It beats with pride

Sometimes I wear it on  
My sleeve sometimes  
I keep it inside  
Chorus 1

And no one said it  
Was gonna be easy  
And I'm not afraid to  
Try And with the odds  
Stacked up against me  
I will have to fight  
One life one chance

Gotta do it right!  
[Solo] F C F Am C G G G  
And I can't let fate  
Dictate what's best for me  
Gotta take control of my  
Own destiny Guitar enters  
You can't relate  
You think there's no escape  
But I got everything at stake  
Here just to prove you wrong!

And no one said it  
Was gonna be easy  
And I'm not afraid to  
Try And with the odds  
Stacked up against me  
I will have to fight  
One life one chance  
Gotta do it right!  
One life one chance  
Gotta do it right  
One life one chance  
Gotta do it right  
One life one chance  
Gotta do it right  
Gotta do it right
