

H2o - One Life One Chance

Tom: C
Intro: C F C

What if I said I was an
Accident waiting to happen
Would I trip and fall
Fall on my own words
And would you say
Say that I was wrong
My words were out of place
Went where I didn't belong

This to me is fact and
Fiction plays a role
Confusing situations
That I can't control
The heart of matter
It beats with pride

Sometimes I wear it on
My sleeve sometimes
I keep it inside
Chorus 1

And no one said it
Was gonna be easy
And I'm not afraid to
Try And with the odds
Stacked up against me
I will have to fight
One life one chance

Gotta do it right!
[Solo] F C F Am C G G G
And I can't let fate
Dictate what's best for me
Gotta take control of my
Own destiny Guitar enters
You can't relate
You think there's no escape
But I got everything at stake
Here just to prove you wrong!

And no one said it
Was gonna be easy
And I'm not afraid to
Try And with the odds
Stacked up against me
I will have to fight
One life one chance
Gotta do it right!
One life one chance
Gotta do it right
One life one chance
Gotta do it right
One life one chance
Gotta do it right
Gotta do it right
