

# Habitz - Fortress

Tom: **D**

**Bm7** **G** **Bm7** **G**  
 Ah... ah... ah... ah...  
**G**  
 Uh... uh?

**Bm7**  
 I've always been a warrior  
 Though I've made mistakes, I've always been a fortress **G**  
**Bm7**  
 Looking straight ahead like I was in a daze  
**G**  
 Minutes go by, then hours and days  
**D** **Dbm7**  
 Trapped inside as time flew by  
**C** **Bm7**  
 So fast I couldn't see  
**D** **Dbm7**  
 So I propose we melt  
**C** **Bm7**

This ice between you and me  
 Because I want you, want you, want you **Bm7** **Bm7**  
**Bm7** **G**  
 Can't you see I need you, need you

**Bm7**  
 I never cared for fairy tales  
**G**  
 Never thought I'd fall in love  
**Bm7**  
 Feet and heart were planted strong  
**G**  
 In what I thought was solid ground  
**D** **Dbm7**  
 But now I think I've found that love  
**C** **Bm7**  
 Can somehow come to be  
**D** **Dbm7**  
 So I propose we melt  
**C** **Bm7**  
 This ice between you and me
