

# Habitz - Fortress

Tom: **D**

Ah... <sup>Bm</sup> ah... <sup>G</sup> ah... <sup>Bm</sup> ah... <sup>G</sup>  
 Uh... <sup>G</sup> uh?

I've <sup>Bm</sup> always been a warrior

Though I've made mistakes, I've <sup>G</sup> always been a fortress

<sup>Bm</sup> Looking straight ahead like I was in a daze

<sup>G</sup> Minutes go by, then hours and days

<sup>D</sup> Trapped inside as time <sup>Dbm</sup> flew by

<sup>C</sup> So fast I couldn't see <sup>Bm</sup>

<sup>D</sup> So I propose we melt <sup>Dbm</sup>

<sup>C</sup> <sup>Bm</sup>

This ice between you and me

Because I <sup>Bm</sup> want you, want you, <sup>Bm</sup> want you

Can't you see I <sup>Bm</sup> need you, <sup>G</sup> need you

<sup>Bm</sup> I never cared for fairy tales

<sup>G</sup> Never thought I'd fall in love

<sup>Bm</sup> Feet and heart were planted strong

<sup>G</sup> In what I thought was solid ground

<sup>D</sup> But now I think I've found that <sup>Dbm</sup> love

<sup>C</sup> Can somehow come to be <sup>Bm</sup>

<sup>D</sup> So I propose we melt <sup>Dbm</sup>

<sup>C</sup> <sup>Bm</sup>  
 This ice between you and me
