

# Sammy Hagar - Little Bit More

tom:

I felt you pull away  
 A little bit more tonight  
 A little bit more  
 I recognize that face  
 That you wore tonight  
 A little bit more  
 And I know I shouldn't be surprised  
 And I know I should believe my eyes  
 But I don't want to see it  
 I'm losing you  
 A little bit more tonight  
 A little bit more  
 And I don't want to see  
 I'm losing you  
 A little bit more tonight  
 A little bit more  
 More space between the lines  
 A little bit more tonight  
 Just a little bit more  
 It's like falling down  
 Three flights of love tonight  
 Or more  
 And I know I shouldn't be surprised  
 And I know I should believe my eyes  
 But I don't want to see it  
 I'm losing you  
 A little bit more tonight  
 A little bit more  
 And I don't want to see

I'm losing you  
 A little bit more tonight  
 A little bit more  
 So don't think about it  
 Go on and figure out it  
 No place to lay the blame down  
 Everyone's a saint  
 Her body's in the bedroom  
 But her heads gone out the door  
 Na na na na na na na na na na na  
 Na na na na na na na na na na na  
 Na na na na na na na na na na na  
 Na na na na na na na na na na na  
 Yea... And I know I shouldn't be surprised  
 Yes and I know I should believe my eyes  
 But I don't want to see it  
 I'm losing you  
 A little bit more tonight  
 A little bit more  
 And I don't want to see  
 I'm losing you  
 A little bit more tonight  
 A little bit more  
 That I'm losing you  
 I felt you pull away  
 A little bit more tonight  
 A little bit more
