

# Hailee Steinfeld - I Love You's

tom: G

Doo-bee-doo-bee-doo-doo-doo, ah

Doo-bee-doo-bee-doo-doo-doo, ah

Doo-bee-doo-bee

Where do I begin?

I'm sittin' here jaded

Yeah, I fell asleep with the makeup still on my skin

Wide awake again

I'm prayin' I make it

I'm steppin' the twelve but it's somewhere I've already been

Diamonds won't fool me 'cause I'm too far gone

Wish I could get back the air in my lungs

I've been so fucked up it's bad for my heart

My heart

So, no more I love you's (doo-bee-doo-bee-doo-doo-doo, ah)

It's too easy to say, yeah (doo-bee-doo-bee-doo-doo-doo, ah)

No more I love you's (doo-bee-doo-bee-doo-doo-doo, ah)

Until I'm okay (doo-bee-doo-bee-doo-doo-doo, ah)

Yeah, I blamed it on the time zones (doo-bee-doo-bee-doo-doo-doo, ah)

I blamed it on my eyes closed (doo-bee-doo-bee-doo-doo-doo, ah)

I blamed it on the world like it owes me (doo-bee-doo-bee-doo-doo-doo, ah)

So stop me before it's too late (doo-bee-doo-bee-doo-doo-doo, ah)

My heart

No more I love you's (doo-bee-doo-bee-doo-doo-doo, ah)

Until I'm okay (doo-bee-doo-bee)

It's not on my lips and I love it

No weight on my chest, I'm above it

I'm taking a moment to cut it out (oh)

Now that my conscience is callin'

Now there's no fear, no more running

I don't want words that mean nothin', no

Oh, no more I love you's (no, no more I love you's)

It's too easy to say, yeah (it's too easy to say)

No more I love you's (no)

Until I'm okay (until I'm okay)

Yeah, I blamed it on the time zones (time zones)

I blamed it on my eyes closed (eyes closed)

I blamed it on the world like it owes me (doo-bee-doo-bee-doo-doo-doo, ah)

So stop me before it's too late (doo-bee-doo-bee-doo-doo-doo, ah)

No more I love you's (ooh, no)

Until I'm okay (until I'm okay)

Diamonds won't fool me 'cause I'm too far gone

## Acordes
