

# HAIM - Want You Back

Tom: C  
Intro: C G F

Some things are long forgotten  
Some things were never said  
We were on one endless road  
But I had a wandering heart  
I said we were opposite lovers  
(Said it from the beginning)  
You kept trying to prove me wrong  
(Said you'd always see it through)  
And I know that I ran you down  
So you ran away with your heart  
But just know that I want you back  
Just know that I want you back  
Just know that I want you  
I'll take the fall and the fault in us  
I'll give you all the love I never gave before I left you  
Just know that I want you back  
Just know that I want you back  
Just know that I want you  
I'll take the fall and the fault in us  
I'll give you all the love I never gave before I left you  
I know it's hard to hear it  
And it may never be enough

But don't take it out on me now  
?Cause I blame it all on myself  
And I had a fear of forgiveness  
(Said it from the beginning)  
I was too proud to say I was wrong  
(Said you'd always see me through)  
All that time is gone, no more fearing control  
I'm ready for the both of us now  
So just know that I want you back  
Just know that I want you back  
Just know that I want you  
I'll take the fall and the fault in us  
I'll give you all the love I never gave before I left you  
(Just know that I want you)  
(Just know that I want you back, baby)  
I'll take the fall and the fault in us  
I'll give you all the love I never gave before I left you  
So just know that I want you back  
Just know that I want you back  
Just know that I want you  
I'll take the fall and the fault in us  
I'll give you all the love I never gave before I left you
