

Halestorm - Bad Girls World

Tom: **A**

D
 They all say I've lost my mind
D **Gbm**
 But I'm just tryin' to find a better way
D
 Cause somewhere in this sea of fools
D **Gbm**
 The real truth is they're scared because you're brave

Bm
 You'll be ok if you be yourself for no one else
Gbm **E**
 They'll hate you cause you're beautiful
Bm
 So blaze the trail that no one can
Gbm **E**
 Cause they'll never understand

D **D**
 That we live in a bad girls' world, bad girls' world, bad girls'

Gbm
E
 We're runnin' a bad girls' world, bad girls' world, bad girls' world, bad girls'

D **D**
 That we live in a bad girls' world, bad girls' world, bad girls'

Gbm
E
 We're runnin' a bad girls' world, bad girls' world, bad girls' world, bad girls' world, bad girls'

All you rebel babies
 And you pretty thing with the dirty mouth
 Tell 'em times are changing
 And we will never back down
 This is our house now

If you be yourself for no one else
 They'll hate you cause you're beautiful
 So blaze the trail that no one can
 Cause they'll never understand

That we live in a bad girls world, bad girls' world, bad girls'
 We're runnin' a bad girls' world, bad girls' world, bad girls' world, bad girls'.
 That we live in a bad girls world, bad girls' world, bad girls'
 We're runnin' a bad girls' world, bad girls' world, bad girls' world, bad girls'.

If you be yourself for no one else
 They'll hate you cause you're beautiful
 So blaze the trail that no one can
 Cause they'll never understand

That we live in a bad girls world, bad girls' world, bad girls'
 We're runnin' a bad girls' world, bad girls' world, bad girls' world, bad girls'.
 That we live in a bad girls world, bad girls' world, bad girls'
 We're runnin' a bad girls' world, bad girls' world, bad girls' world, bad girls'.
