Riff (introdução) Repete 6X

We could just go home right now  
Or maybe we could stick around  
For just one more drink, oh yeah  
Get another bottle out  
Lets shoot the shit  
Sit back dow  
For just one more drink, oh yeah

C G  
Here's to us , Here's to love  
Am F  
All the times That we fucked up  
Riff 1 (solo )

C G  
Here's to us ,fill the glass  
Am F  
Cause the last few days, have kicked my ass

Stuck it out this far together  
Put our dreams through the shredder  
Let's toast cause things got better  
And everything could change like that  
And all these years go by so fast  
But nothing lasts forever

All the times That we fucked up
