

# Halestorm - In Your Room

Tom: E

Let me in your room <sup>A</sup>

I've seen the rest of you <sup>B</sup>

But I know there's something more in your room <sup>A</sup>

I'm right outside your door <sup>B</sup>

Show me things you've never shown before <sup>E</sup> <sup>A (once)</sup>

A few pictures from your past <sup>A</sup>

And the walls you painted black <sup>B</sup>

And the secrets that you keep under your bed <sup>E</sup> <sup>A</sup>

All you have to do is let me in your room <sup>B</sup> (hold) <sup>E</sup>

You can be yourself <sup>A</sup>

You don't have to hide from me I won't tell <sup>B</sup> <sup>E</sup>

I know everyone you've ever trusted has let you down <sup>A</sup>

And you don't want to come out <sup>B</sup>

And show me, show me (pause)

A few pictures from your past <sup>A</sup>

And the walls you painted black <sup>B</sup>

And the secrets that you keep under your bed <sup>E</sup> <sup>A</sup>

All you have to do is let me in your room <sup>B</sup> <sup>E</sup>

You know every part of me <sup>A</sup>

I let you in, I let you see <sup>B</sup>

All the dark and every color of my room <sup>E</sup> <sup>A</sup> <sup>E</sup>

Let me do that for you <sup>B</sup>

And tell me all about your past <sup>A</sup>

Why you painted those walls black <sup>B</sup>

Baby it's all right you're safe in here with me <sup>E</sup> <sup>A</sup>

Open up so I can see <sup>B</sup>

A few pictures from your past <sup>A</sup>

And the walls you painted black <sup>B</sup>

And the secrets that you keep under your bed <sup>E</sup> <sup>A</sup>

An open letter from your dad <sup>A</sup>

A poster of your favorite band <sup>B</sup>

It don't matter I'll take every part of you <sup>E</sup> <sup>A</sup>

All you have to do is let me in your room <sup>B</sup> <sup>E</sup>

Let me in your room <sup>A</sup>

## Acordes
