

Half Alive - Still Feel

Tom: G

When I'm furthest from myself (far away)
 Feeling closer to the stars (outer space)
 I've been invaded by the dark (can't escape)
 Trying to recognize myself when I feel I've been replaced
 When I'm furthest from myself (far away)
 Feeling closer to the stars (outer space)
 I've been invaded by the dark (can't escape)
 Trying to recognize myself when I feel I've been replaced

Fm
 Oh-oh-oh-oh

E7 Am
 I can feel a kick down in my soul
 And it's pulling me back to earth to let me know
 E7 Am
 I am not a slave, can't be contained
 C Dm Fm E
 So pick me from the dark and pull me from the grave
 'Cause

Am Fm
 I still feel alive
 Dm C (E)
 When it is hopeless, I start to notice
 Am Fm
 And I still feel alive
 Dm C (E)
 Falling forward, back into orbit

Am G
 So, when I lose my gravity in this sleepy womb
 Am G
 Drifting as I dream, but I'll wake up soon
 Am G
 To realize the hand of life is reaching out
 Am
 To rid me of my pride, I call allegiance to myself

Fm

Am G
 Floating in outer space, have I misplaced a part of my soul?
 Am G
 Lost in the in-between, or so it seems, I'm out of control
