tom:  
 I?m sure you?re wondering  
 What happened to that kid you used to know?  
 So punctual  
 Never a late moment  
 Yeah I?m sure you?re thinking  
 What made him so distant so hard to hold?  
 Such a tired soul  
 So old  
 ( Ab Cm )

And if he's sleeping wake him up  
 Let him dream he?s had enough  
 And if he's sleeping wake him up  
 Let him dream he?s had enough  
 ( Fm Db Eb )

 ( Ab Bbm Db Fm Cm Bbm Eb Ab Fm )

Yeah I?m sure you're questioning  
 Where do we stand on this? So, so strange  
 So confusing  
 So fake

## Acordes

And I?m sure you?re asking  
 Everyone who?s to blame in this situation  
 It?s me  
 Just so you know  
 ( Fm Ab )

And if he's sleeping wake him up  
 Let him dream he?s had enough  
 And if he's sleeping wake him up  
 Let him dream he?s had enough

Alarmed and he?s stressed  
 Came the morning  
 I?m late for you again  
 Late for you again

 Came the morning  
 I?m late for you again  
 Late for you again
