```

A  
Last night  
E A2 B  
Your rhythm stopped, and  
A E  
If I can't believe it, I might  
A2 B  
But I'll try

A  
Hold on  
E A2 B  
You're going down slow, oh no  
A  
I don't know  
E A2 B  
You're going down so slow, oh no

A E A2 B  
As you wave your hands goodbye  
A E A2 B  
As you wave your hands goodbye

A E  
And dreaming was easier  
A2 B  
With you

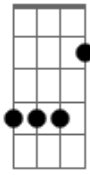

A  
But sometimes  
E A2 B  
This life leaves you blue

A  
It's that rhythm in your heart  
E  
It's that rhythm in your heart  
A2 B  
That leads me down

A E A2 B  
As you wave your hands goodbye  
A E A2 B  
As you wave your hands goodbye
