

# Halsey - Alani's Interlude

tom:  
 Em  
 [Primeira Parte]

Em  
 A shiny badge, a suit to match  
 Bm7 Am7  
 Bit my nails down so they?wouldn't?scratch  
 C  
 But who believes?in needs like these?  
 D  
 I'll take two?of them, please

[Pré-Refrão]

Em Bm7  
 With soft skin, soft as all these  
 Am7  
 Beautiful lights and beautiful thighs  
 C  
 They always kept me up at night  
 D  
 But I can't change my appetite

[Refrão]

Em Bm7  
 'Cause your pussy is a wonderland  
 Am7  
 And I could be a better man  
 C  
 It doesn't matter to me  
 D  
 Your pussy is a wonderland  
 Bm7  
 And I could be a better man  
 Am7  
 And I could be a better man  
 C  
 It doesn't matter to me

Em  
 'Cause he and she is her  
 C  
 And her and he are love  
 G  
 And I have never felt the difference  
 B  
 'Cause he and she is her  
 Em  
 And her and he are love  
 C  
 And her and he are love  
 G B C  
 Tired of all these labels

[Segunda Parte]

Em Bm7  
 And my girl, she always wore a skirt in the classroom  
 Am7  
 Eatin' my dessert in the bathroom  
 C  
 Can't get caught so we stiller than a statue  
 D  
 Bad news, think I'll prolly die before I have you

Em Bm7  
 Soft skin, soft as all these  
 Am7  
 Beautiful lights and beautiful thighs  
 C  
 They always kept me up at night  
 D  
 But I live for lovin' in the light

[Refrão]

Em Bm7  
 'Cause your pussy is a wonderland  
 Am7  
 And I could be a better man  
 C  
 It doesn't matter to me  
 D  
 Your pussy is a wonderland  
 Bm7  
 And I could be a better man  
 Am7  
 And I could be a better man  
 C  
 It doesn't matter to me (Hey, yeah)

Em  
 'Cause he and she is her  
 C  
 And her and he are love  
 G  
 And I have never felt the difference  
 B  
 'Cause he and she is her  
 Em  
 And her and he are love  
 C  
 And her and he are love  
 G B C  
 Tired of all these labels  
 'Cause he and she is her  
 Em  
 And her and he are love  
 C  
 And I have never felt the difference  
 'Cause he and she is her  
 Em  
 And her and he are love  
 C  
 Tired of all these labels
