

Halsey - Ashley

tom:

Intro: C G Em Bm
C G Em Bm

[Primeira Parte]

C G Em Bm
Standing now, in the mirror that I built myself
C G
And I can't remember why the decision wasn't mine
Em Bm
But it seems I'm only clingin' to an idea now
C G Em
Took my heart and sold it out to a vision that I wrote
myself
Bm C G
And I don't wanna be somebody in America, just fighting the the
hysteria
Em Bm
Only wanna die someday

[Refrão]

C G Em Bm
Someday, some- day, when I burst into flames
C G
I'll leave you the dust, my love
Em Bm
Hope a bit of it'll be enough to help remember the
C G Em Bm
Days when we came to this place
C G Em
I told you I spilled my guts, I left you to clean it up
Bm
I'm bursting out of the

[Segunda Parte]

C G Em Bm
Seems like now it's impossible to work this out
C
I'm so committed to an old ghost town
G Em

Is it really that strange if I always want a change?
G Em
And if only the time and space between us wasn't lonely
G
I disintegrate into a thousand pieces
Em
Think I'm makin' a mistake, but if I decide to break
Who will fill the empty space? Oh

[Refrão]

C G Em Bm
And now, if I figure this out
C G
Apart from my beating heart
Em Bm
It's a muscle, but it's still not strong enough to carry
C G Em Bm
Weight of the choices I've made
C
I told you I'd ride this out
G Em
It's gettin' harder every day somehow
Bm C G Em Bm
I'm burstin' out of myself

(C G Em Bm)

C G Em Bm
Ooh, ooh
C G
Ooh, ooh
Em Bm
Too many guys think I'm a concept, or
C G
I complete them, or I'm gonna make them alive
Em
I'm just a fucked up girl who's lookin'
For my own piece of mind
Bm
Don't assign me yours

Acordes
