

# Halsey - Castle

Tom: C

<sup>Gm</sup> Sick of all these people talking, <sup>Eb</sup> sick of all this noise  
<sup>Gm</sup> Tired of all these cameras flashing, <sup>Eb</sup> sick of being poised  
<sup>Gm</sup> And now my neck is open wide, <sup>Eb</sup> begging for a fist around it  
<sup>Gm</sup> Already choking on my pride, so there's no use crying about it

<sup>Eb</sup> I'm headed straight for the castle, they wanna make me their queen

<sup>C</sup> And there's an old man sitting on the throne that's saying that I probably shouldn't be so mean

<sup>Gm</sup> I'm headed straight for the castle, they've got this kingdom locked up

<sup>G</sup> And there's an old man sitting on the throne that's saying I should probably keep my pretty mouth shut

<sup>Gm</sup> All of these people passing, saying that they're feeling abused

<sup>Gm</sup> If you wanna break these walls down, you're gonna get bruised

<sup>Gm</sup> And now my neck is open wide, <sup>Eb</sup> begging for a fist around it

<sup>Gm</sup> Already choking on my pride, so there's no use crying about it
