tom: Ab (forma dos acordes no tom de G) Capostraste na 1º casa Intro: C Your little brother never tells you but he loves you so You said your mother only smiled on her TV show You're only happy when your sorry head is filled with dope I hope you make it to the day you're twenty-eight years old You're dripping like a saturated sunrise You're spilling like an overflowing sink You're ripped at every edge but you're a masterpiece And now i'm tearing through the pages and the ink Everything is blue, his pills, his hands, his jeans And now i'm covered in the colors pull apart at the seams F Dm And it's bluuue, and it's bluuue Everything is grey, his hair, his smoke, his dreams And now he's so devoid of color, he don't know what it means And it's bluuue, and it's bluuue
