

Halsey - Colors

Tom: Db

(com acordes na forma de C)
Capostrate na 1ª casa

Your little brother never tells you but he loves you so
You said your mother only smiled on her TV show
You're only happy when your sorry head is filled with dope
I hope you make it to the day you're twenty eight years old

You're dripping like you're saturated sunrise
You're spilling like an overflowing sink
You're ripped at every edge but you're a masterpiece
And now I'm tearing through the pages and the ink

Refrão:

Everything is blue
His pills, his hands, his jeans
And now I'm covered in the colors
Pull apart at the seams
And It's blue
And It's blue

Everything is grey
His hair, his smoke, his dreams
And now he's so devoid of color
He don't know what it means
And It's blue
And It's blue

You were a vision in the morning when the light came through
You know I've only felt religion when I lied with you
You said you'll never be forgiven 'till your boys are too
And I'm still waking every morning but it's not with you

You're dripping like you're saturated sunlight
You're spilling like an overflowing sink
You're ripped at every edge but you're a masterpiece
And now I'm tearing through the pages and the ink

Refrão:

Everything is blue
His pills, his hands, his jeans
And now I'm covered in the colors
Pull apart at the seams
And It's blue
And It's blue
Everything is grey
His hair, his smoke, his dreams
And now he's so devoid of color
He don't know what it means
And It's blue
And It's blue
And It's blue

Ponte:

You were red and you liked me because I was blue
You touched me and suddenly I was a lilac sky
Then you decided purple
Just wasn't for you

Refrão:

Everything is blue
His pills, his hands, his jeans
And now I'm covered in the colors
Pull apart at the seams
And It's blue
And It's blue
Everything is grey
His hair, his smoke, his dreams
And now he's so devoid of color
He don't know what it means
And It's blue
And It's blue

Everything is blue
Everything is blue
Everything is blue
Everything is blue
