

# Halsey - Coming Down

Tom: A

I found God <sup>Gbm</sup>

I found him in a lover <sup>A</sup>

When his hair falls in his face <sup>D</sup>

And his hands so cold they shake <sup>Bm</sup>

(Dbm ) <sup>Gbm</sup>  
I found the Devil

I found him in a lover <sup>A</sup>

And his lips like tangerines <sup>D</sup>

And his color coded speak <sup>Bm</sup>

(Dbm ) <sup>Gbm</sup>  
Now we're lost somewhere in outer space

In a hotel room where demons play <sup>A</sup>

They run around beneath our feet <sup>D</sup>

We roll around beneath these sheets <sup>Bm</sup> <sup>Dbm</sup>

<sup>Gbm</sup>  
I've got a lover  
A love like religion

<sup>A</sup>  
I'm such a fool for sacrifice

<sup>D</sup>  
It's coming down, down, coming down

<sup>Bm</sup> (Dbm )  
It's coming down, down, coming down

<sup>Gbm</sup>  
I've got a lover and I'm unforgiven

<sup>A</sup>  
I'm such a fool to pay this price

<sup>D</sup>  
It's coming down, down, coming down

<sup>Bm</sup> <sup>Gbm</sup>  
It's coming down, down, coming down

<sup>Gbm</sup>  
I found a martyr

He told me that I'd never <sup>A</sup>

With his educated eyes <sup>D</sup>

And his head between my thighs <sup>Bm</sup>

<sup>Dbm</sup> <sup>Gbm</sup>  
I found the savior

I don't think he remembers <sup>A</sup>

'Cause he's off to pay his crimes <sup>D</sup>

And he's got no time for mine <sup>Bm</sup>

(Dbm ) <sup>Gbm</sup>  
Now we're lost somewhere in outer space

In a hotel room where demons play <sup>A</sup>

<sup>D</sup>

They run around beneath our feet <sup>Bm</sup> <sup>Dbm</sup>

We roll around beneath these sheets

<sup>Gbm</sup> <sup>A</sup>  
Every single night pray the sun'll rise

<sup>D</sup> <sup>Bm</sup>  
Every single time make a compromise

<sup>Gbm</sup> <sup>A</sup>  
Every single night pray the sun'll rise, but

<sup>D</sup>  
It's coming down, down, coming down

<sup>Bm</sup>  
He's coming down, down, coming down

<sup>Gbm</sup>  
I've got a lover  
A love like religion

<sup>A</sup>  
I'm such a fool for sacrifice

<sup>D</sup>  
It's coming down, down, coming down

<sup>Bm</sup> (Dbm )  
It's coming down, down, coming down

<sup>Gbm</sup>  
I've got a lover and I'm unforgiven

<sup>A</sup>  
I'm such a fool to pay this price

<sup>D</sup>  
It's coming down, down, coming down

<sup>Bm</sup> <sup>Gbm</sup>  
It's coming down, down, coming down

<sup>Gbm</sup> <sup>A</sup>  
Every single night pray the sun'll rise

<sup>D</sup> <sup>Bm</sup>  
Every single time make a compromise

<sup>Gbm</sup> <sup>A</sup>  
Every single night pray the sun'll rise, but

<sup>D</sup>  
It's coming down, down, coming down

<sup>Bm</sup> (Dbm )  
He's coming down, down, coming down

<sup>D</sup>  
It's coming down, down, coming down

<sup>Bm</sup> (Dbm )  
He's coming down, down, coming down

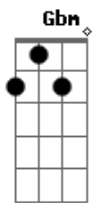

<sup>D</sup>  
It's coming down, down, coming down

<sup>Bm</sup> <sup>Gbm</sup>  
He's coming down, down, coming down
