Intro: Em G Em G

[Primeira Parte]

They said I have a universal blood type  
 I can give to anyone in need  
 But only receive from someone exactly like me (Mm)  
 And I'm trying to be positive  
 But oh, it's really hard  
 I'm a loner, I'm a loser  
 Won't you shoot me in the yard?  
 Put me down like a lame horse  
 Or send me to the farm  
 Where all the dogs go (Oh)

[Refrão]

I've been a really good dog, can I come inside?  
 Yeah, I've been such a good girl, can I go for a ride?  
 I'm on a real short leash, but I like it tight  
 You know, I'm such a sweet girl, but I can really bite? (I can really bite)

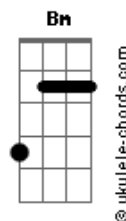

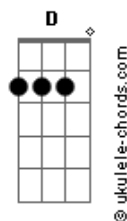

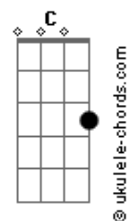

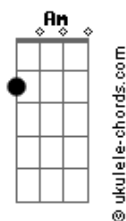

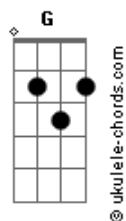

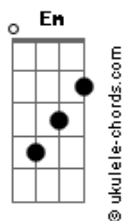

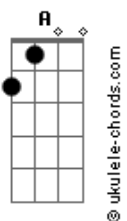

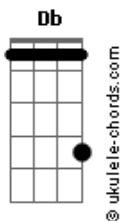

[Segunda Parte]

'Cause my dog di?d last year  
 He fell asleep in my embrace  
 And the very last thing I told him  
 Was, "See you soon and we can race"  
 You know a mercy kill is what I seek  
 I didn't ask to live, but dying's up to me

[Refrão]

I've been a really good dog, can I come inside?  
 Yeah, I've been such a good girl, can I go for a ride?  
 I'm on a real short leash, but I like it tight  
 You know, I'm such a sweet girl, but I can really bite?

## Acordes

[Post-Refrão]

Oh-oh-oh-oh-oh  
 Oh-oh-oh-oh-oh

[Terceira Parte]

Well, they say all dogs go to Heaven  
 Well, what about a bitch?  
 What about an evil girl  
 Left lying in a ditch?  
 Told the three people who asked that I am in a better place  
 With lots of trees and lots of grass  
 And lots of, lots of chocolate cake

[Ponte]

'Cause I'm not old, but I am tired  
 I'm not strong, I'm very weak  
 I'm not old, but I am tired  
 I'm not here, I'm somewhere else  
 I'm not old, but I am tired  
 I'm one hundred ninety-six  
 In dog years, I have seen enough  
 I've seen it all

[Refrão]

I've been a really good dog, can I come inside?  
 Yeah, I've been such a good girl, can I go for a ride?  
 I'm on a real short leash, but I like it tight  
 You know, I'm such a sweet girl, but I can really bite?

[Final]

Down like a lame horse  
 Or send me to the farm  
 Where all the dogs go
